

Papua New Guinea's inaugural innovation conference

8 November 2019
The Stanley Hotel, Port Moresby

www.innovationpng.com

MORNING SESSION

8.30am Official opening

Speaker: The Prime Minister of Papua New Guinea, the Hon. James Marape MP

8.45am Announcement of the Innovation PNG 2019 Award Winners

Awards presented by: Powes Parkop (Governor, National Capital District)
Held for the first time this year, the Innovation PNG Awards aim to find, promote and celebrate innovation in both small and larger organisations in PNG.

9.00am International Keynote Address: 'Fostering an innovation culture in your organisation'

Speaker: Pete Williams (Chief Edge Officer, Deloitte Centre for The Edge)

Pete leads Deloitte's Centre for the Edge in Australia. The Centre's mission is to help businesses profit from emerging technology opportunities. Pete is a recognised thought leader and practitioner in Innovation. Since speaking at the PNG Advantage Investment Summit in Brisbane in 2015, he has developed a strong interest in PNG and is a regular visitor to the country. His keynote will explore the benefits of developing an innovative culture, and how organisations large and small can achieve it.

9.40am Innovation case study: Innovation PNG 2019 Award winner (SME): Sustainable Alluvial Mining Services

9.50am International Keynote Address: 'Global Megatrends Influencing Technology and Transformation'

Speaker: Paul Burman, Megatrends Ambassador, HP.

Artificial Intelligence is changing our world—from disrupting how we educate our children to the way we diagnose a patient. Working directly with HP's Chief Technology Officer Office in Palo Alto, USA, Paul is tasked with presenting HP's view of the future—Megatrends—to customers, partners and industry leaders to help them prepare for the future. His talk will particularly focus on health and education.

10.20 am Innovation case study: Innovation PNG 2019 Award winner (Large business): S P Brewery's cassava project

10.30am Morning tea

11.00am Panel discussion: 'Opportunity versus disruption: what more reliable and cheaper internet will mean for PNG.'

Panellists: Sundar Ramamurthy (Managing Director, Invoc Pty Ltd), Une O'Ome (GM Commercial, PNG Dataco), Charles Punaha (Managing Director, NICTA) and Khafra Kambon (Commercial Director, Digicel Pacific)

11.30am Presentation: how better internet drives business innovation

Speaker: Mohammad Chowdhury (Telecom, Media and Technology Sector Leader, PwC Australia)

11.50am Innovation case study: Jaive Smare, Jive Market: power to the people

12.00pm Special focus: Digital banking and mobile money

Financial services provide enormous opportunities for innovation as PNG's banks and finance companies look to bring services to the unbanked and reduce the need for queues at bank branches. In this session, some of PNG's most innovative financial institutions will show case their approaches to going digital.

Participants include: Nuni Kulu (General Manager Digital, Bank South Pacific), Tony Westaway (CEO, MiBank), Loi Bakani (Governor, Bank of Papua New Guinea)

12.30pm Innovation case study: Alan Milne, MD, Air Niugini: Air Niugini's Higher Altitudes program

12.40pm Lunch break
